TURN ON TV – AND SOCIAL MEDIA!

Our interactive social TV solution provides unprecedented ways for viewers to discover content they love, and talk to their friends about it – wherever they are, whatever device they are on.

SURF BY FRIENDS

One click discovery shows viewers their friends and what they are watching right now, providing real-time recommendations from a trusted source.

DISCUSS SHOWS IN REAL-TIME

Viewers can share comments about shows in real-time as they watch together with friends in a virtual environment. It's the next best thing to sitting together on a couch.

ENGAGE & MONETIZE

Leverage viewers to upsell premium content.
